1. **REPUTATION.** Your reputation is everything in Airsoft. As a Member, you represent Battle Airsoft and what we stand for. We play Fun, Fair with Trust and Respect. These are the foundations of the Club. Your Honour should never be in question. Your gamesmanship must be exemplary when gaming at Battle Stations or other sites wearing The BSA Patch.
2. **FAMILY SPIRIT.** *Look after the New Guys.* Offer assistance and guidance to new players to the game and the Centre so they can get the best out of your centre. Taking non-members under your wing and helping them get the best out of their day is massively rewarding for all of us and gives the right impression about the club, its members and the Centre. They are the future of the game and your club. We are not an elitist Club, We don't exclude or ignore non-members. We abide by the rules of the game and set a great example to all others. Good Club Members play a massive part in encouraging non-members to join. We want to expand the club and build a community, You are the best advert for the Club.
3. **IT'S YOUR SITE.** Commit to one build or one maintenance day per year. These will be held on the same day as a members game day. We will spend the morning building or carrying out maintenance and then play the afternoon. The members game day that you help out on will be free to you even if you have already claimed your free day.

4. **IMPROVE!** As a member, you are part of the team, your input is invaluable to us. Any thoughts you have on the Centre, Game modes or Battlefield design will always be greatly received. Its your Site. **PTO**
